Chicago Radiance Synchronized Skating, a non-profit youth figure skating organization, is reaching out for sponsors. We would like to request your support to help our team and gain valuable exposure for your business among participants, parents, and spectators across the nation.

We are proud to represent the south suburbs of Chicago as our teams compete throughout the nation. We are thrilled to have several teams, ranging in ability from an exhibition only team to nationally competitive teams. We are dedicated to providing the opportunity for participation and achievement in the sport of synchronized skating. Chicago Radiance assists skaters in building character as athletes and individuals; while teaching skaters goal setting, responsibility, team work, time management, confidence and commitment in all aspects of life.

Synchronized skating is an extremely rewarding, but very expensive sport to participate in. Practice ice time alone averages over \$300 per hour. Other major expenses include competition fees, apparel and travel. We were hoping that this might be something you would consider helping us with. In return for your sponsorship we would of course list you as a sponsor on all our literature as well as our web site, ChicagoRadiance.com. Our local shows and exhibitions are well attended by parents and spectators from the community. Our competitions take place throughout the nation with spectators from all over the United States and Canada.

Any contribution at all will help our organization continue to thrive in this challenging sport. We have four levels of sponsorship packages, as detailed on the enclosed sponsorship commitment form. Chicago Radiance SSC is a program within and represents the Glenwood Figure Skating club, a 501 C3 organization. Contributions to our organization are deductible under section 170 of the Code. You can select the level of participation that best meets your needs, and be secure in the knowledge that your sponsorship fee will be used to help the youth figure skaters of Chicago Radiance.

Your support of our community's youth is important and appreciated. Please return the sponsorship form along with your payment. We appreciate your consideration and thank you in advance for your willingness to sponsor the Chicago Radiance Synchronized Skating teams. If you have any questions or need further information, please feel free to contact us via email at Director@ChicagoRadiance.com or visit our website at www.ChicagoRadiance.com

Chicago Radiance has proudly represented the south suburbs of Chicago since 2011. The continued success of all of our teams, from the exhibition only team, to the nationally competitive teams depend in large measure upon the support of our sponsors.

Chicago Radiance Synchronized Skating is asking generous sponsors to step forward and help us cover the cost of our season. Donations go to a great cause, helping to maintain the most affordable synchronized skating experience for our skaters in the Chicago-land area. Sponsorships are also tax deductible. Better yet, appearing as a sponsor on ChicagoRadiance.com is beneficial to any company, since ChicagoRadiance.com averages 350 hits per day and is linked to many frequently visited social media sites.
